Dear Madam/ Sir

I am writing to express my interest in this position as advertised. With a diploma in software development and a strong foundation in IT, I am confident in my ability to contribute effectively to your team and help the organization to achieve its technology-focused goals.

During my studies, I honed my programming skills in Java, Kotlin, and C#. My expertise extends to database management and application development, ensuring seamless IT operations.

I have knowledge of MS Office and possess strong communication, planning, and organizing skills. My ability to meet tight deadlines, multi-task, and work well under pressure, combined with my good interpersonal skills and attention to detail, make me a well-rounded candidate for this position.

I look forward to the opportunity to discuss how my skills and experiences align with the needs of this Job. Please find my resume attached for your review

Kind regards
Thato Ndlovu
